Universal Cloud Licenses are available as an add-on to protect workloads residing in public cloud environments from the onset of the subscription term.

HOW RUBRIK LICENSING WORKS

Rubrik subscription licenses are offered as a 3-year subscription that includes software, hardware of your choice and support. Throughout the Rubrik subscription, you will receive access to Rubrik's new software features. Cloud licenses in Rubrik editions are eligible only for cloud migration use cases. Renewal prices are predictable, which means no surprises at renewal time.
