RUBRIK, INC. SERVICE AND SOFTWARE SUPPORT POLICY

This Rubrik Service and Software Support Policy ("Policy") contains the applicable terms and conditions of the Support Services (defined below) for the Rubrik Service, the SaaS Services, and Software (as applicable) and forms part of the agreement between Customer and Rubrik governing Customer’s use of Rubrik Service and/or Software ("Agreement"). All capitalized terms not defined herein are as defined in the Agreement.

1. DEFINITIONS.

1.1. “Defect” means a failure of the Rubrik Service and/or Software (as applicable) to conform in all material respects to the applicable Documentation.

1.2. “Remote Support Request” means a service request Customer may submit to Rubrik via the web, telephone, or email.

1.3. “Support Services Effective Date” means the date that the Rubrik Service and/or Software is made available to Customer.

1.4. “Support Services” means, as applicable, the support services for the Rubrik Service and/or Software as more fully described in Section 2 below and which are provided by Rubrik or its subcontractors or are available on Rubrik’s support portal.

1.5. “Support Services Plan” means the level of Support Services as more fully described in Section 5 of this Policy for which Customer has paid the applicable Support Services fee(s), which fees, if applicable, may be included in the cost of Customer’s Rubrik Service and/or Software subscription.

2. SUPPORT SERVICES. Rubrik will provide the Support Services to Customer in accordance with this Policy, provided Customer: (i) complies with the terms of this Policy; (ii) has paid all applicable fees due; (iii) has a current Support Services Plan; and (iv) Customer’s use of the Rubrik Service, or SaaS Services and Software is in conformance with the Documentation. This Policy governs in the event of any conflict with other terms, conditions or agreements relating to its subject matter. This Policy, and the Support Services Plans may change from time to time or certain Support Services may be discontinued; however, such changes will not result in a material reduction in the level of the Support Services provided to Customer during the then-current Support Term. Rubrik will use reasonable efforts to notify Customer of any changes to this Policy at least thirty (30) calendar days prior to the effective date of such change. Customer is deemed to have accepted the changes specified in such notice, unless Customer objects to any material changes in the notice, in which case Customer has ten (10) days to notify Rubrik of Customer’s objection. If Customer objects to the changes in the notice, the prior version of this Policy shall apply through expiration of the then-current Support Term. Support Services are provided in English only.

4. SUPPORT SERVICES TERMS AND CONDITIONS.

4.1. Support Term. The Support Services commence on the Support Services Effective Date and remain in effect for the initial term of Support Services as specified in an applicable Order, including any renewal thereof ("Support Term").

4.2. Renewal of Support Services Plan; Reinstatement. For subscription-based products, Support Services Plan may be included in the subscription fee for the applicable subscription period. The Support Services Plan shall renew for the period set forth in the applicable Order subject to payment of the applicable fees under a renewal Order. If Customer does not renew the Support Services Plan prior to the expiration of the then-current Support Term ("Lapse"), Support Services may subsequently be renewed by Customer in Rubrik’s sole discretion. If Rubrik permits renewal of the Support Services Plan after a Lapse, the renewal Support Term shall commence on the date of expiration of the prior Support Term. For the avoidance of doubt, no Support Services Plan may be purchased if: (i) Support Services were not included in the subscription fee for the applicable subscription, and Customer did not initially purchase a Support Services Plan, and more than twelve (12) months have elapsed since the date the Software license was purchased; or (ii) more than twelve (12) months have elapsed since the prior Support Services Plan expired or was terminated in accordance with Section 4.3 of this Policy.

4.3. Termination. Rubrik may suspend or terminate a Support Services Plan if the Agreement is terminated in accordance with its terms, or for Customer’s material breach of this Policy, including but not limited to non-payment of applicable fees.
4.4. **Notification of Defects.** If Customer believes that there is a Defect in the Rubrik Service or Software, Customer will: (i) promptly notify Rubrik, providing sufficient detail for Rubrik to identify the Defect; (ii) upon request, provide Rubrik with remote access, all relevant and necessary data files, software or any other relevant material; and (iii) to the extent Rubrik cannot reproduce the Defect remotely, provide on-site access, if reasonably believed necessary by Rubrik for it to reproduce, analyze or remedy the Defect.

4.5. **Information and Cooperation.** To receive Support Services, Customer must provide Rubrik with the configuration of the applicable Rubrik Service and/or Software, and such other information, cooperation, and assistance as is reasonably required by Rubrik in order to provide the Support Services. Customer is solely responsible for providing a stable environment for all systems and networks designed to ensure successful backups (and all software, data and other information contained therein).

4.6. **Excluded Services.** Notwithstanding anything to the contrary in this Policy, Rubrik shall have no obligation to provide: (i) Support Services for Defects or resolution of problems caused by accident, abuse, misuse, third-party product(s), a power surge, power failure, or other Force Majeure event, any unauthorized modification, or any failure by or on behalf of Customer to maintain and use the Rubrik Service and Software in a manner consistent with the Documentation and written instructions from Rubrik; (ii) support of the Rubrik Service and Software that Rubrik determines in its reasonable discretion does not have a Defect; (iii) third-party products required to operate the Rubrik Service and Software, or (iv) delivery of any on-site Support Services, including but not limited to situations where, in Rubrik’s reasonable opinion, a condition exists that represents a hazard to the safety of its employees or agents. Customer will be responsible for charges on a time and materials basis for Support Services provided as a result of any of the foregoing.

4.7. All Software must be covered by the same level of Support Services Plan and must be at the same version level (e.g., Version 6.3).

4.8. New releases may have certain features or configurations that require updated hardware to utilize new functionality available with the new release. Customer is responsible for the purchase of any new hardware required to use such releases.

4.9. Customer acknowledges and agrees that to the extent Customer has and uses administrator-level privileges to access the Rubrik Service and/or Software, it is solely responsible for any damages resulting from its use or misuse of such privileges, including loss or corruption of data or damage to the Rubrik Service and/or Software.

5. **SUPPORT SERVICES PLANS.**

5.2. **Basic Support Services Plan.** The Basic Support Services Plan includes Remote Technical Support. Customer may submit Remote Support Requests at any time, 24x7. Rubrik will respond to Remote Support Requests during Customer’s business hours (meaning Monday to Friday between the hours of 8:00am and 8:00pm in Customer’s local time zone) pursuant to the ‘Basic Support’ column in the Response Time Targets table in Section 7 below. Rubrik will respond to up to three (3) Remote Support Requests per year outside of Customer’s business hours.

6. **SUPPORT SERVICES PLAN ADD-ON.** Customer may purchase a Customer Experience Manager for a separate fee.
