

Rubrik Security Cloud – Government

Keep your data secure, monitor your data risks, and quickly recover your data, wherever it lives, on-prem or in the cloud

Data Protection

Keep your data readily available

Withstand cyberattacks, malicious insiders, and operational disruptions with air-gapped, immutable, access-controlled backups.

Data Threat Analytics

Monitor data risk and investigate faster

Continuously monitor for threats to your data, including ransomware, data destruction, and indicators of compromise.

Data Security Posture

Proactively reduce data exposure risk

Identify and monitor sensitive data exposure and use intelligent insights to maximize data security posture.

Cyber Recovery

Restore business operations faster

Improve cyber readiness and incident response by easily testing, validating, and orchestrating recovery workflows.

Achieve cyber resilience against cyberattacks, malicious insiders, and operational disruptions.

<p>Logical Air Gap</p> <p>Prevent unauthorized discovery, access, mounting, or compromise of data through non-SMB/NFS-based network protocols.</p>	<p>Immutable by Design</p> <p>Prevent unauthorized change, encryption, or deletion of data by storing data in a proprietary format and verifying it with data integrity checks.</p>	<p>Granular Access Control</p> <p>Prevent unauthorized account compromise via granular role-based access controls and credentials, including MFA and TOTP protection for user logins.</p>
<p>Policy-Driven Automation</p> <p>Ensure data availability, maintain compliance, and orchestrate recovery using automated discovery and policy-driven workflows.</p>	<p>Data Risk Assessment Engine</p> <p>Identify data exposure with automatic scans to discover data attributes, where the data resides, and how the data has changed.</p>	<p>Anomaly Detection Engine</p> <p>Investigate threats faster and avoid reinfection by using ML to baseline normal behavior, detect malicious activity, and identify the attack scope.</p>

Designed for US Government

Dedicated instance for federal, state, and local agencies and contractors

Secure processing of government data within the United States

24x7x365 support by qualified U.S. citizens located on U.S. soil

9+ Years of Securing Federal Organizations

Authorization for US Government

Global HQ
3495 Deer Creek Road
Palo Alto, CA 94304
