SCOPE AND BENEFITS

Engaging Rubrik's support team will allow your IT team to resolve complex issues more efficiently. Premium Support includes the following benefits:

- **Telephone and web support:** Rubrik's support professionals will be available by telephone or web interface on a 24 x 7 basis. Your IT team will have access to web-based knowledge and self-help customer support tools that can help minimize disruptions.
- **Product updates and fixes:** In order to ensure that your IT environment is equipped with the latest Rubrik features and functionality, our support engineers will keep your IT team apprised of latest software updates and new releases. Any critical product fixes will also be handled, allowing you to maintain a consistent high level of productivity.
- **Advanced hardware replacement:** For any hardware failures, Rubrik will ship an advanced replacement to arrive at your site the next business day if the request is received before 3PM local time. Please note that shipping to certain locations may be subject to local customs clearance processing and associated delays.
